

Reasons Writing Workshop

This interactive webinar was developed following feedback from HPRO's Discipline Orientation Workshops. This distinct skillset is introduced in the Basic Session and discussed further in the Advanced, but it was recognized that this topic deserved investment of dedicated time for education and training.

Day December 3, 2021

Time 9:30 a.m.-12:30 p.m.

Format Interactive webinar with poll questions, short writing assignments, breakout rooms for discussion and additional assignments

Faculty Richard Steinecke, HPRO Legal Counsel

Registration Limitation 40 participants

Objectives Attendees will enhance their ability to write reasons for regulatory decision, including developing the following skills:

- ⇒ Identifying the issues that need to be addressed
- ⇒ Developing deliberation styles that provide content of the reasons
- ⇒ Providing explanations for the decision made
- ⇒ Wording those explanations persuasively
- ⇒ Tallying tips on tough topics such as credibility, expert evidence and legal issues

Rate = \$325 HST included

College to be invoiced for registrations submitted from that College; payment due in advance
